

## ALBRIGHTON BROADPLACE

Initially funded by The European Regional Development Fund and Advantage West Midlands and managed by Shropshire County Council through their Switch on Shropshire Project, we are one of a number of Broadplaces within Shropshire with the aim of making access to computer skills and facilities available to a much wider audience

Sited on the Ground Floor within the Red House, High Street, Albrighton, the Broadplace is operated by a group of enthusiastic volunteers who give up their own time to provide the facilities to the village.

Contact details: Geoff Page 01902 372821
